ADVENTURE 2026

UKAS 8320

At CamperKing, adventure isn't just a word, it's a way of life. We take the iconic VW Transporter and transform it into something more: a luxury home on wheels, built for style, comfort, and true freedom. Whether you're chasing sunsets, taking the kids to the coast, or venturing completely off -grid, a CamperKing campervan is your ticket to life without limits.

www.camperking.co.uk

out of office.

Model range.

T7 Freedom. 8

CamperKing's off-grid campervan, offering more power and better technology than any campervan on the market today, with an external shower and our CamperKing deluxe bed.

T7 Go! 12

Our newest model, offering a tried and tested conversion specification, in the latest VW bodyshell. All done for an eye-catching and affordable low price.

Monte Carlo & Monte Carlo Gen 2. 16

Our mid-range short or long wheelbase campervan is now available with gas or an off-grid electric inverter and our CamperKing deluxe bed.

St Tropez. 22

Our top-selling conversion with our CamperKing deluxe bed, extra storage options and the choice of either short or long wheelbase layouts.

Le Mans. 28

Our compact but fun-loving short wheelbase Campervan is built with families and adventure in mind and comes with our CamperKing deluxe bed.

Santorini. 32

A superb stylish long wheelbase campervan, featuring plenty of storage, a wine rack and our CamperKing deluxe bed.

Pursuit 2 & 4. 36

Our two or four berth campervan can also seat up to eight and bridges the gap between the popular Volkswagen Kombi and our other campervans.

About CamperKing.

Adventure starts here.

Get on the road with the UK's leading manufacturer of VW campervan conversions. Unlike many converters, we don't outsource.

We build everything in-house, ensuring the highest standards of safety, comfort, and innovation.

We are pioneers of new product design, leading the industry with next-generation campervans like the T7 Freedom or the T6.1 Gen 2, offering advanced off-grid capability, unrivalled safety features, and smarter technology than anything else on the road today.

With an authorised dealer network across the UK, expert advice and your perfect CamperKing campervan is never far away.

Whether you want a ready-to-drive model, a fully customised build, or to convert your own VW Transporter, CamperKing makes campervan ownership simple, flexible, and more rewarding than anywhere else.

This is more than just a van. This is a **CamperKing campervan.**

We offer you the ability to **part exchange** your current motorhome, car or van against one of our campervans.

Find out more on page 42.

We work with multiple **finance partners** to assist you with flexible finance options when paying for your CamperKing campervan.

Find out more on page 42.

Our **rolling lifetime warranty** provides you with complete peace of mind when buying a CamperKing campervan.

Find out more on page 43.

Model comparison.

CamperKing has six campervan models to choose from, as well as our new Volkswagen T7 day van model, Freedom. They vary between short or long wheelbase Volkswagen Transporter vehicles.

For more detailed information – including video explanations of each model – visit www.camperking.co.uk

"We're really excited to launch the T7 Go! and we've worked really hard to keep the price competitive."

Stuart Kidman, Marketing Manager

Monte Carlo & Monte Carlo Gen 2.

Our mid-range bestseller

The Monte Carlo 5 seater offers an excellent balance between comfort and practicality, featuring our CamperKing deluxe bed, double gas hob, microwave and fridge freezer.

Our new Monte Carlo Gen 2 is for those who want the option to go totally off-grid. The electric inverter supports an induction hob and wireless charging, as well as the microwave and fridge freezer.

Both are available on a short or long wheelbase.

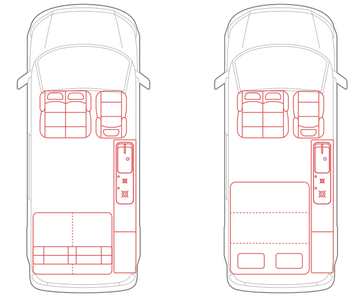

- Seats 4 or 5 people with ISOFIX
- Pop-top roof
- CamperKing deluxe bed
- Ambient lighting
- 50 litre fridge/freezer
- Wireless charging pad
- Sink & double hob unit
- Integrated microwave
- Swivelling passenger seat
- Touch LED lighting
- Multi storage lockers

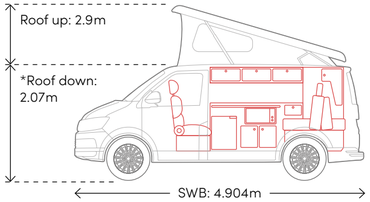

Gen 2 also includes:

- Electric induction hob
- Self generating off-grid power with a 300 amp battery
- 120W solar panel

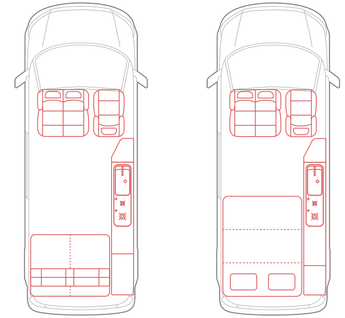

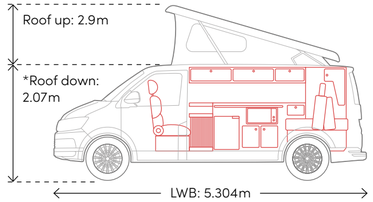

SWB

LWB

*The drawings above are of the Monte Carlo. The Monte Carlo Gen 2 is 2.12m high with the roof down due to the solar panel.

"I'm a recent widow, so was nervous of making this step, but I needn't have been."

Olwen

Monte Carlo

LWB

"CamperKing really are the best! I've spent 4/5 months going around looking at different vans and companies, but once we went to CamperKing the price and quality was just right. They had vans for everyone in every shape and style too."

Nathan on Trustpilot

St Tropez.

When adventure meets practical.

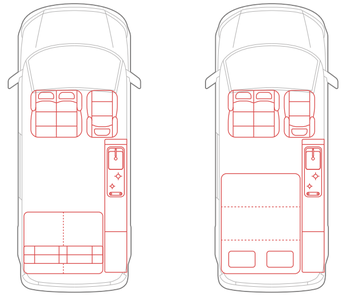

A customer favourite

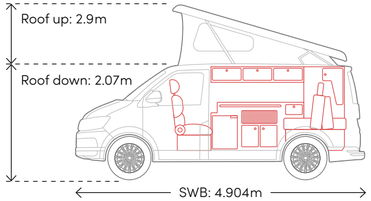

With plenty of storage and a tried-and-tested layout that balances practical living with a family-friendly setup, it's easy to see why the St Tropez is so popular. Available on either a short or long wheelbase.

- Seats 4 or 5 people with ISOFIX
- Pop-top roof
- CamperKing deluxe bed
- Multi-point tables
- Swivelling passenger seat
- Sink & double hob unit
- 50 litre fridge/freezer
- Wireless charging pad
- Touch LED lighting
- Multi storage lockers
- Upgrades include projector, bike rack, swivel seat, solar panel.

"This is our 1st Campervan and the entire process was absolutely brilliant. I cannot fault CamperKing. Great service by all."

Dean Searle

Le Mans.

The ultimate family campervan adventure-ready. Family-approved.

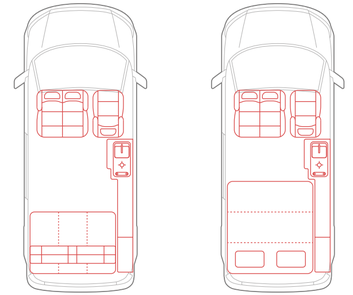

The Le Mans is CamperKing's all-purpose campervan, perfectly designed for families on the go. Built on the short wheelbase VW Transporter, it's easy to drive, effortless to park, and ready for everything from the school run to a weekend escape.

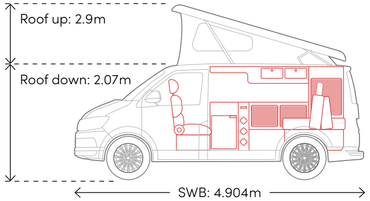

Whether it's beach days, countryside breaks, or city stopovers, the Le Mans makes family life on the road feel effortless.

- Seats fi ve or six people with ISOFIX
- CamperKing deluxe bed
- Sink & gas hob combination
- Full camper facilities
- Pop-top roof
- Touch LED lighting
- 50 litre fridge/freezer
- Individual coffee tables
- Swivelling passenger seat
- Wireless charging pad

in LWB

"Their aftersales support is superb and they'll even go the extra mile to help even remotely"

Amanda Willis

Pursuit.

Built for adventure

The CamperKing Pursuit day van bridges the gap between a VW Transporter Kombi van and a VW Transporter campervan.

Designed for adventure and equipped for off-grid travel, the Pursuit is the ultimate companion for your hobbies, work life and daily needs. It provides up to eight seats and offers a huge amount of space to carry camping and sports gear.

Three 60Ah lithium batteries keep the campervan powered up while the full-width three-seater bed that sits on a rail fl oor system, can be easily moved for a comfortable night's sleep. Available as both a long or short wheelbase campervan.

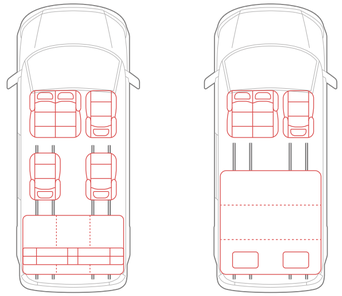

The **Pursuit 2 day van** is a two berth campervan without a pop-top roof, the option of a roof rack system and the capability to accommodate a roof tent.

The **Pursuit 4 day van** is a four berth campervan with a pop-top roof and an elevating platform bed.

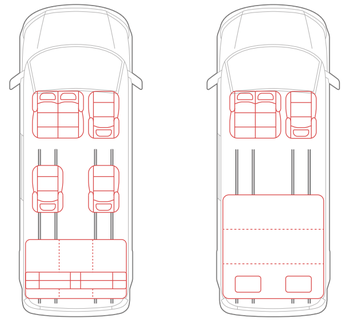

- Frontrunner slimline roof rack system options
- Customisable modular layout
- Full-width 3 seater mobiframe rear bed
- Pop-top roof with bed (Pursuit 4 only)
- High-pressure shower system
- 60 litre underslung fresh water tank
- Upgrades include hot water, a diesel heater and swivelling front seats.

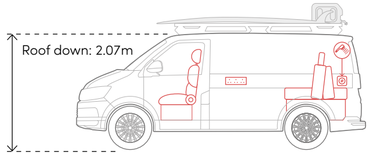

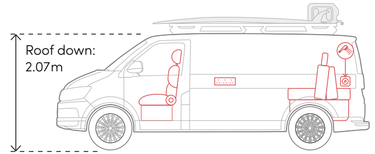

SWB

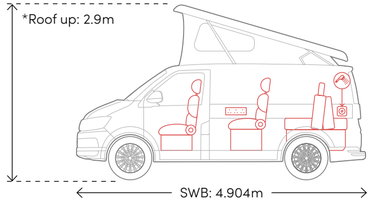

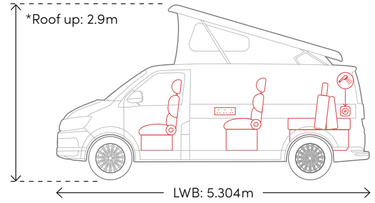

LWB

*Pop-top roof only available on Pursuit 4.

Pursuit 2.

"To help narrow down a very big field of van conversions we found CamperKing's website amazing"

Michelle

Pursuit 4.

with pop-top roof

"When making a big financial commitment it's genuinely nice not to be forced into anything and deal with such great people"

Scott Truelove

Part exchange

We are happy to offer part exchange on your current car, motorhome, van, caravan or motorbike, against one of our campervans.

Part exchange is a hassle-free way to get the best price for your current vehicle and use the proceeds of the sale towards the purchase price of a campervan. Campervans make an excellent household vehicle, being versatile enough to use for the weekly shop, the school run or even your daily commute to work.

Finance options

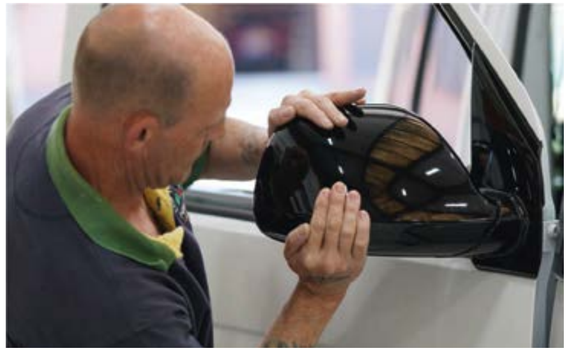

Making your dream CamperKing adventure a reality is easier than you think.

We work with a range of trusted finance partners to help you spread the cost of your new campervan.

With a Hire Purchase (HP) agreement, you can borrow from £2,500 and choose repayment terms from 2 to 15 years. Enjoy fixed interest rates and set monthly payments, so you can plan your budget with confidence.

This is an ideal option if you want to own your campervan outright at the end of the term, with no large final payment, just simple, predictable finance that fits your lifestyle.

CamperKing warranty

Our **CamperKing 12 month rolling lifetime warranty provides** you with complete peace of mind on all CamperKing conversions.

Simply keep up your annual habitation check with us, and your cover will continue year after year - available at our CamperKing branches in Banbury, Sutton and Newcastle.

This is in addition to any vehicle warranty attached to your campervan. This is usually the balance of Volkswagen's three year warranty on models up to T6.1 and a five year warranty on the new T7, as well as breakdown cover from the date of the vehicle's first registration.

Add your own touch

Do you want your campervan to be an extension of you?

With CamperKing you can personalise your campervan in numerous ways. From lift kits and lowered suspension, internal trim, to bike-racks, we can help you make your campervan truly unique, and a reflection of your own personality. The possibilities are endless.

Why choose CamperKing?

Buy a ready-made campervan.

At our showrooms in Warmington, North Shields and Sutton, we have a forecourt full of campervans for you to choose from. They are all ready and waiting to be driven away, so your next adventure could be nearer than you think.

Build your own.

If you'd rather choose the exact vehicle and build specifi cation of your campervan, opt for our built-to-order service, where you can select everything from the vehicle colour to the design embossed in the upholstery. It's the very best way to ensure you get exactly what you want.

All our campervan conversions are built in-house by skilled UK craftsmen and offer an unbeatable range of campervan layouts, interiors and fi nishes.

Supply your own van.

Already own a Volkswagen Transporter or thinking about buying one?

Talk to CamperKing fi rst to make sure it's the right specifi cation for your dream conversion.

Once your van's ready, we can transform it into any model from our CamperKing range complete with water systems, electric and gas appliances, and stylish fi tted furniture all in as little as four weeks.

Your van. Your vision. CamperKing craftsmanship.

About the base vehicle.

It's your choice.

At CamperKing we use three Volkswagen Transporter vans for conversion, the Panel Van, the Kombi and the Shuttle. In our T6.1 vans we offer two main specifi cations Startline and Highline:

- LED interior lighting
- Electric windows & heated mirrors
- Full electronic stability & safety systems
- Remote central locking & alarm
- Optional business pack: adds rear parking sensors, cruise control & air conditioning

Highline
In addition to Startline plus

- Adaptive Cruise Control (ACC)
- Front & rear parking sensors
- Heated, foldable mirrors
- Automatic headlights & rain-sensing wipers
- Climatic air conditioning
- Heated front windscreen
- Body-coloured trim details

T7 van specification

VW Commerce

- Euro 6 ULEZ compliant
- 13" touchscreen infotainment system
- Bluetooth connectivity with App connect
- Cruise control & multi-function steering wheel
- Rear parking sensors
- Heated wing mirrors
- Lane assist & dynamic road sign display
- High beam control
- Keyless start
- LED headlights

VW Commerce Plus
In addition to Commerce

- Body coded bumpers & wing mirrors
- Front & rear parking sensors
- Reversing camera
- Leatherette multi-function steering wheel
- VW alarm

VW Commerce Pro
In addition to Commerce Plus

- Adaptive cruise control
- Heated seats
- 16" alloy wheels
- Power folding wing mirrors
- Heated windscreen
- Wireless mobile phone charging

SWB & LWB dimensions

SWB: 5050mm length (5.05 metres)
LWB: 5450mm length (5.45 metres)

We are able to convert the following vans into campervans

The CamperKing network.

Come visit us.

We have three main dealerships - our Banbury HQ, Newcastle and Surrey, as well as easy nationwide access to our CamperKing campervans through our trusted dealer network.

Our showrooms are open seven days a week.

Club Camperking

Club CamperKing is more than an owners' club – it's your invitation into a like-minded community built around freedom, adventure, and unforgettable memories on the road. You could be heading out for a spontaneous weekend escape or a well-planned road trip, Club CamperKing connects you with people who share your passion.

As a member, you'll enjoy access to exclusive events, road trips, behind-the-scenes experiences, and rewards designed just for CamperKing owners. Plus, you'll get 10% off in the CamperKing Shop, in-store and online, with savings on everything from awnings and cookware to beds, hobs, and van essentials.

It's free to join, easy to enjoy, and made to elevate your campervan lifestyle from the moment you hit the road.

Find out more at camperking.co.uk/club-camper-king

Supporting good causes.

At CamperKing we are proud to support numerous good causes, which includes past donations of £50,000 to Children in Need at CarFest.

The charity we currently support at CamperKing is very close to our hearts. Oscar's Paediatric Brain Tumour Charity is a small but dedicated organisation funding research into childhood brain tumours. Our fundraising efforts have included a team of our staff climbing Ben Nevis, as well as walking the Yorkshire Three Peaks.

Campervan jargon buster.

A quick guide to common campervan terms
